Dear colleague,

As the chairman of the scientific committee, it gives me immense pleasure to invite you to the Summer Conference of Cardiological Society of India - Kerala Chapter to be held on 6th and 7th of May 2017 at Trivandrum. Dr Praveen S, organizing secretary will be mailing the detailed program to you shortly.

We are privileged to have Dr K K Sethi, Chairman, Managing Director & HOD Cardiology, Delhi Heart and Lung Institute, New Delhi as our guest speaker and Dr V K Ajit Kumar, Head & Professor of Cardiology, SCTIMST, Trivandrum will be delivering the prestigious Annual Oration.

Those who wish to present papers may kindly send it to the Chairman, scientific committee on or before 15th March 2017. Those abstracts selected from this for award session will need an additional submission before 10th of April with the full details of the study so that judges can make detailed assessment.

We are planning sessions on ECG, ECHO and Imaging, showcasing interesting and educative X Rays, ECGs, Echocardiograms, CT, MRI, PET, SPECT etc. Please send interesting cases in power point format. (X Ray and ECG spotters 3 min and other cases 5 min). If there are video files, please do not forget to include the source files in the folder. Please send them by 31st March 2017 to the chairman.

Kindly send interesting CDs of challenging interventional cases and procedure related complications (Coronary, Peripheral, structural or Electrophysiology related) so that we can share our knowledge for safer interventional practice.

Please send the CDs in power point format. Please also attach the title of the case, name of the operator and the institution, and procedural details and learning points. (We just need a rough presentation and final modifications can be made later)

Please send the CDs early so that it reaches me on or before 31 March 2017.

With regards,

*Dr Raju George
