

# CARDIOLOGICAL SOCIETY OF INDIA

## KERALA CHAPTER

# ANNUAL CONFERENCE

## 12<sup>th</sup> NOVEMBER 2023

 **Venue**

**River Banks  
Madapparambil Resort  
Thodupuzha**

**Dr Prabha Nini Gupta**  
*President*

**Dr Jayagopal PB**  
*Vice President &  
Scientific Committee Chairman*

**Dr Stigi Joseph**  
*Secretary*

**Dr Mathew Abraham**  
*Organizing Chairman*

**Dr James Thomas**  
*Treasurer*

**Dr Tony Thomas**  
*Organizing Secretary*

**Imm. Past Secretary**

**Dr. Karunadas C P**

**Editor**

**Dr. Natarajan K U**

**EC Members**

**Dr. Bino Benjamin**

**Dr. Jithu Sam**

**Dr. Mathew Abraham**

**Dr. Mathews Paul**

**Dr. Prathapkumar N**

**Dr. Rajeev E**

**Dr. Raveendran P**

**Conference Secreteriat**

**Dr Tony Thomas**  
Organising Secretary  
St Marys Hospital, Thodupuzha - 685584

**09.00 TO 10.00**

## SESSION 1 - ABSTRACT PRESENTATION (AWARD)

**Judges: Dr.Geevar Zachariah, Dr.Raju George, Dr.Sivasankaran S, Dr.Venugopal K**

- |              |   |                                   |
|--------------|---|-----------------------------------|
| <b>09.00</b> | The rate of rise and fall of Tricuspid Regurgitant pressure (dP/dT & -dP/dT) for evaluation of Right Ventricular function, and its correlation to clinical outcomes                                       | <b>Dr.Harikrishna K</b>           |
| <b>09.10</b> | ST elevation myocardial infarction – clinical outcome and left ventricular function assessment after 3 months in patients undergoing delayed revascularization compared to standard medical therapy alone | <b>Dr.Sanjiv Kumar Kler</b>       |
| <b>09.20</b> | Comparison of immediate and thirty day outcome of primary percutaneous coronary intervention during on hours and off hours  | <b>Dr.Kiran Kumar Devarshetty</b> |
| <b>09.30</b> | Back to the heart- a case report of sacroiliitis in infective endocarditis  | <b>Dr.Catherine Paul</b>          |
| <b>09.40</b> | Five Lives – One Common Thread  | <b>Dr.Teena Mary Varghese</b>     |
| <b>09.50</b> | A rare case of isolated pulmonary valve endocarditis  | <b>Dr.Remitha KR</b>              |

**10.00 TO 11.00**

## SESSION 2 - PREVENTIVE CARDIOLOGY UPDATES

**60 MINS(08+02)**

**Chairpersons: Dr.Bino Benjamin, Dr.Eapen Punnose, Dr.Gopakumar, Dr.Jabir A, Dr.Jain T, Dr.Deepak Nandan**

- |              |  |                             |
|--------------|--|-----------------------------|
| <b>10.00</b> | Coronary calcium >400 does it warrant secondary prevention strategies        | <b>Dr.Anil Balachandran</b> |
| <b>10.10</b> | Ethyl omega ester-Additional strategy in post MI patients in India           | <b>Dr.Jithu Sam</b>         |
| <b>10.20</b> | Sacubitril Valsartan in resistant hypertension                               | <b>Dr.Sheeba George</b>     |
| <b>10.30</b> | Newer beta blockers in hypertension as first line. Is it justified in India? | <b>Dr.Rachel Daniel</b>     |
| <b>10.40</b> | Semaglutide in elderly diabetics-Worth the money in obese phenotypes         | <b>Dr.Abhilash T G</b>      |
| <b>10.50</b> | TricPolypill in heart failure-Is it the future                               | <b>Dr.Jobby K Thomas</b>    |

**11.00 TO 11.15**

## INAUGURATION

**11.15 TO 11.45**

## GUEST LECTURE - DR.LAWRENCE JESURAJ

**30 MINS(25+05)**

Rhythm control in Atrial fibrillation- Current concepts and future perspectives.

**Chairpersons: Dr.Ajitkumar V K, Dr.George Koshy A, Dr.Johny Joseph, Dr.S Harikrishnan**

**11.45 TO 12.15**

## PRESIDENTIAL ORATION - DR.PRABHA NINI GUPTA

**30 MINS**

My journey through complications during intervention and lessons to be shared -simple episodes

**Chairpersons: Dr.Chacko K A, Dr.Koshy Eapen, Dr.P P Mohanan, Dr.Sudhayakumar N**

**12.15 TO 12.40**

## DEBATE - IMAGING IN PAMI- IS IT NEEDED?

**Chairpersons: Dr.Anilkumar R, Dr.K U Natarajan, Dr.P K Asokan, Dr.Prathap Kumar N**

**Dr.Rony Mathew, Dr.Sivaprasad K**

- |              |                                 |                         |
|--------------|---------------------------------|-------------------------|
| <b>12.15</b> | I prefer that                   | <b>Dr.Maheshkumar N</b> |
| <b>12.25</b> | It is a waste of time and money | <b>Dr.Mathew Iype</b>   |
| <b>12.35</b> | Rebuttal                        |                         |
| <b>12.40</b> | Discussion                      |                         |

**12 NOVEMBER  
2023**

# SCIENTIFIC PROGRAMME

**12.40 TO 13.05**

## DEBATE - SGLT2 I IN ALL POST MI PATIENTS

Chairpersons: Dr.Ashokan Nambiar, Dr.Govindan Unni, Dr.Markose K P, Dr.R J Manjuran  
Dr.Rajesh G, Dr.Suresh K

**12.40** Yes

Dr.Anandkumar V

**12.50** No

Dr.Kiran Jacob

**13.00** Rebuttal

**13.05** Discussion

**13.30 TO 14.30**

## LUNCH & GENERAL BODY MEETING

**14.30 TO 15.30**

## CONTROVERSIES IN CARDIOLOGY

**60 MINS(08+02)**

Chairpersons: Dr.Anil Roby, Dr.Cibu Mathew, Dr.George Koshy  
Dr.Sunil Pisharody, Dr.Vinod Thomas

**14.30** Myosin inhibitors as first line in HCM

Dr.Arshad M

**14.40** All patients for chemotherapy need strain rate imaging

Dr.Jayaprasad N

**14.50** FXI inhibitors, Is it the future for SPAF

Dr.Himal Raj

**15.00** All DCM patients need cardiac MRI work up

Dr.Rajeshkumar

**15.10** NTpro BNP guided therapy is a must in all HF patient's

Dr.Rupesh George

**15.20** DEB in instent restenosis- What is the current data

Dr.Shyam Lakshman

**15.30 TO 16.30**

## WHAT IS NEW IN CARDIOLOGY

**60 MINS(08+02)**

Chairpersons: Dr.Bijumon, Dr.Jimmy George, Dr.Karunadas C P, Dr.Saji Subramanian  
Dr.Praveen G Pai, Dr.Thomas Mathew

**15.30** Contrast induced nephropathy- Are there new prediction models

Dr.Sajan Ahmad

**15.40** Renal denervation - Is it really necessary

Dr.Vijo George

**15.50** Role of vaccines in HF patients

Dr.Saritha Sekhar

**16.00** Complex PCI outcomes-Does it justify cost in long term

Dr.Jo Joseph

**16.10** PET is mandatory in all infective endocarditis patients

Dr.Sajeer K T

**16.20** Mitral annular dysjunction-and it's significance

Dr.Jubil Mathew

**16.30**

Valedictory function

## POSTER PRESENTATION - 10.00 - 10.45 AM (8+2)

Stenting across a shelf - **Dr Mohammed Feros**

A Case of Hypereosinophilic Cardiomyopathy - **Dr Nikitha Saif**

Such a QT (cutie!) - A Case of epilepsy mimicker in long QT syndrome - **Dr Catherine Paul**

Device closure of classical windsock deformity of a rupture sinus of valsalva-  
**Dr Gurumayum Ramcharan Sharma**
